► **Innova Upgrade / Buy-Back Program**

Is your KOMO Innova growing old and becoming less productive?

Is it time to upgrade your machine with the latest safety technology?

If your answer is YES, KOMO can help!

KOMO offers upgrade options to improve the performance and efficiency of your aging Innova:

- Upgrade your outdated PC and software with our PC Upgrade Kit featuring Windows 7® **\$3,500.00**
- Upgrade your old spindle with a new Precision Spindle Retrofit **\$17,900.00**

We offer safety upgrades so your machine is using the latest protection technology available:

- Table Bump Strips (fully installed) **\$5,800.00**
- Light Curtains (fully installed) **\$10,000.00**
- Safety Mats (fully installed) **\$14,000.00**

Choose any combination of two performance and safety upgrades and receive a 10% discount off the total price. Choose any three and receive 15% off the total price! Also, for a limited time KOMO is offering a 10% discount on any Innova replacement parts with the purchase of any performance upgrade.

To inquire about these upgrades, please contact
Komo Machine Customer Service at 800-528-4570
or support@komo.com

Or maybe it's just time to trade that old Innova in for a new KOMO CNC router!

**KOMO now offers a machine buy-back program
to help you ease into the investment of a new machine.**

To inquire about this program, please contact
