Built for a **Lifetime**

KOMO PC Upgrade

Upgrade your KOMO CNC Router to Windows 10.

Some of the many advantages to this upgrade include:

- The stability of the Windows 10 Professional OS
- Dual network connections – one for machine integrated networking devices, one for customer network

The PC Upgrade includes:

- A new PC with 256GB solid state hard drive and 8GB RAM
- New keyboard
- 1 USB port with weatherproof cap
- New mouse with mouse pad
- Fanuc PCI HSSB (High Speed Serial Bus) card

KOMO specifically designed this upgrade to be plug-and-play for ease of installation so that you can do it on your own. Approximate installation time is four hours. Assistance is available from Komo Machine Customer Support if needed.
